NOTE TO RECEIVING OFFICES: ENCLOSURES TO THIS  
AIRTEL SHOULD BE DELIVERED PERSONALLY TO SAC OR SUPERVISOR  
HANDLING RACIAL MATTERS.

Enclosed for each office receiving this airtel  
is one (1) white envelope containing several postal cards,  
the handling of which is explained below.

In connection with a counterintelligence program  
being conducted against the Klan, the Bureau has approved  
the mailing of certain postal cards to known Klan members.  
The Bureau has instructed that this entire program must be  
closely guarded to prevent any possible connection with the  
FBI. There should be no widespread discussion of these  
cards among clerical or agent personnel and only those  
employees necessary for the preparation and distribution  
of the cards are to be aware of this program. Instructions  
provide these cards should be dropped in mail boxes, none  
of which should be mailed from any Headquarters City or any  
Resident Agency.

HO 157-703

This represents the second such mailing prepared by the Houston Office. The original mailing was done from towns in the general south Texas area and caused intense speculation among Houston Klan members that the mailing was accomplished by some route to Mexico. Suspicion has been directed to several Klan members [redacted]

b7D

The mailing procedures set out below are designed to leave the impression these cards are being mailed by an individual traveling from Texas to the West Coast and the distances involved will be such that no suspicion can be attached to [redacted]

The envelope enclosed for San Antonio contains seven (7) postal cards which have been stamped and are ready for mailing. It is requested that this material be forwarded promptly to the Del Rio Resident Agency and that these cards be mailed somewhere along U. S. Highway 99 on Tuesday, 6/21/66, if possible. San Antonio should avoid the city of Del Rio and the cards could be mailed in the area between Uvalde and Langtry.

The enclosure for El Paso contains eight (8) postal cards. It is requested that these cards be mailed on Wednesday, 6/22/66, if possible, either on or near the area of Interstate Highway 10, possibly between Van Horn, Texas, and the New Mexico line.

The enclosure for Phoenix contains eight (8) postal cards. It is requested that these cards be mailed on Thursday, 6/23/66, if possible, somewhere along U. S. Highway 84 in the area between Tucson and Yuma.

The enclosure to Los Angeles contains seven (7) postal cards. These cards should be mailed, if possible, on Friday, 6/24/66, in the area of Interstate 10, anywhere in the general area of Riverside, California, avoiding any city in which Los Angeles has a Resident Agency.

It would be appreciated if the above offices can maintain the date schedule suggested above if it can be done without unnecessary travel.

HO 157-703

It is also requested that the receiving offices advise the Houston Division of the dates and places where these mailings are actually accomplished.

He stated that in the event a person applies for an Oklahoma drivers license and it is determined that his license has been suspended or revoked in some other state, the State of Oklahoma may or may not issue the license depending on the reason for the previous suspension and how long a time has elapsed since the previous revocation or suspension. He stated that ordinarily the fact that a person has made a false statement on his application regarding previous suspensions or revocations would be sufficient to cancel the license issued.

b7C [redacted] advised that the State of Oklahoma has no reciprocal agreement with any state regarding revoked drivers licenses. He stated that in the event a person applies for an Oklahoma drivers license and it is determined that his license has been suspended or revoked in some other state, the State of Oklahoma may or may not issue the license depending on the reason for the previous suspension and how long a time has elapsed since the previous revocation or suspension. He stated that ordinarily the fact that a person has made a false statement on his application regarding previous suspensions or revocations would be sufficient to cancel the license issued.

b7C [redacted] advised that when a person is issued a license in Oklahoma, the name is checked through the National Registry in Washington, D. C., which agency advises if that person has ever had a suspended or revoked license. Following notification from the National Registry, the State of Oklahoma determines from the state involved the nature of the revoked or suspended license.

There is a man traveling about the nation who calls himself [redacted] who goes about speaking before groups of the Klansmen. And as he travels about, the Klansman remembers the words, "God give us men! The Invisible Empire demands strong men who have HONOR; men who will not LIE.....

b7C

But [redacted] is somewhat like Elmer Gantry as he comes into our towns, makes his speeches and then, taking his money, departs in his [redacted] lies, as he pretends membership in our beloved Klan, but as he leaves he does so as a member, a loyal member, of the National States Rights Party.

b7C

In [redacted] he very cleverly met with members of the Klan at [redacted] [redacted] then on to [redacted] where he had the nerve to appear before the Christian Knights, Knights of the KKK, while supposedly still swearing allegiance to the United Klans and our beloved Imperial Wizard Robert M. Shelton.

b7C

And then once again the "traveling man" was on his way, this time to Baltimore and Chicago where he mingled with Klan members, made his little "bundle of loot", kissed the ladies and then disappeared with his NSRP friends.

But we LOYAL Klansmen must ask ourselves, "To Whom Do We Listen"? Why not have a speaker from the infamous Anti-Defamation League, or perhaps we can get a politician from the House Committee on Un-American Activities to speak in behalf of the Klan??

The pictures you see above are of interest to all who swear allegiance to the Ku Klux Klan. Recently the American Nazi Party held a rally in Northern California. Now the Klan has no beef because the Nazi Party holds a rally but what should concern the Klan is the fact that

b7C

This is [redacted] who presently is planning a rally, in the name of the Ku Klux Klan, to be held in Los Angeles on [redacted]

b7C

The Klan stands for Christianity and decency, the Klan stands for this great country of ours, the Klan stands for the rights of the White Man...but, never should we be accused of needing the Nazi storm troopers to get our message across to the American people.

And what of these uniformed storm troopers who stand alongside our "Klan representative" at this rally, wearing the swastika of the Nazi Party. Needless to say, fellow klansmen, these are the followers of the crooked GEORGE LINCOLN ROCKWELL, the psychopathic agnostic who laughs at the name of Christ. ROCKWELL is great when it comes to playing boyish tricks, but have you ever noticed that it really is not ROCKWELL himself who performs these publicity seeking stunts. Oh no, it is always some poor lame-brained nut who performs for the "Commander", and who sits in jail while the "Commander" quietly counts his money and dreams of new worlds to conquer.

Remember the famous American general, who, when asked to surrender by the Germans, remarked, "Nuts". Well, fellow klansmen, we who believe in Christ, who believe in the mighty right given us by Him, can only say, "Nuts" when asked if we should even consider any dealings with the rockhead and his equally Anti-Christ Nazi followers.

b7C It is believed that if this letter were sent to Klan leaders and followers, while at the same time being sent to GEORGE LINCOLN ROCKWELL and ANP leaders throughout the U.S. the result would be a wide split between the KKK and the ANP. Concerning the rally to be held in September, 1966, at Los Angeles, California, it could also result in determining the action that SHELTON would take toward [ ] and the California KKK. If SHELTON ignores this letter he can be accused of having formed an alliance with the ANP. On the other hand, if he takes any action against the ANP this would cause ROCKWELL much concern. It is also to be noted that the letter certainly does not flatter ROCKWELL, and that the KKK looks upon him as merely a money hungry buffoon. This letter and its implications should certainly cause a breach in any relationship between the KKK and the ANP.

b7C The Richmond and Birmingham Offices are being sent copies of this letter for any observations they might have concerning the advisability of sending such a letter. Photographs of [ ] are also being forwarded to these Offices, and to San Francisco for their opinion regarding the use of the police photographs.

Re Los Angeles letter to Director 8/12/66 and

b7C

The Knoxville Office believes that Los Angeles  
proposal of an anonymous letter alerting klan leaders that  
[REDACTED] associating with klan members and invading klan  
territory is an excellent suggestion.

Mention might be made in the letter of the fact  
[REDACTED] appeared at Sevierville, Tennessee and spoke on  
behalf of the Christian Knights of the Ku Klux Klan which  
is a small disgruntled group of members who broke away from  
ROBERT SHELTON's organization, the UKA, INC., KKKK. This  
fact might further the impression on SHELTON's part that  
[REDACTED] not only "invading" klan areas in Tennessee but  
actually was aiding a newly formed enemy group, the Christian  
Knights of the Ku Klux Klan.

b7D

As previously stated in San Francisco airtel, 9/13/66, San Francisco has no objection to Los Angeles using [redacted] photos in this counterintelligence operation. San Francisco, based on very limited knowledge of the KKK, believes that the American Nazi Party and the KKK are composed of similar types of individuals. Both groups have hatred of the Negroes in common, and each claims to be a Christian organization. For these reasons, San Francisco has doubts that the proposed counterintelligence action will achieve the desired result; however, it is not believed it can do any harm.

TO ALL MEMBERS OF THE UNITED KLANS OF AMERICA

Recently I have received many inquiries from California from concerned Klansmen concerning an open-field "rally" which was held recently in Saugus, California. [redacted]

[redacted] Prior to this rally [redacted] and two members of the American Nazi Party rode a truck through the Los Angeles area and tried to get people to attend this "rally."

The night of the "rally" itself, it was reported to me that the scene was a circus atmosphere needing only George Lincoln Rockwell (Anti-Christ) to complete the show in the middle ring. It was originally planned to burn a 40-foot cross, but the bunglers forgot to check the fire regulations, and this was eventually ruled out. Next, they brought in a generator to light the cross by means of electricity...this failed, and so the self-proclaimed [redacted] and his Atheistic Nazi friends suddenly became electricians; and as their white sheets dragged across the area, the repairs were made. Nazi means national socialist in German and no Klanman is a socialist.

God-fearing Klansmen, defenders of the white race, be assured [redacted] and his ilk do not represent the United Klans of America. Have nothing to do with these people as they bring nothing but shame to the meaning of the word Klansman.

Re Los Angeles airtel dated 9/6/66.

Enclosed herewith for the Bureau are two copies of the proposed letter for consideration. One copy is being furnished to each office receiving copy of this communication.

Also enclosed for the Bureau is a copy of the letter from ROBERT M. SHELTON dated 9/9/66 which might be of some aid to the Document Section of the FBI Laboratory in preparing such a letter if approved by the Bureau.

For the information of the Bureau, recently, when the California Ku Klux Klan met in the Soledad Canyon area of Saugus, California, there was extensive television and newspaper coverage. It has been estimated that at least one half of those who gathered around the Ku Klux Klan cross that night were newspaper or television representatives.

On [redacted] was telephonically contacted under a suitable pretext. This call was from an unhappy member of the United Klans of America, Inc. (UKA), who was calling to state that the Klan rally held on 9/17/66 was nothing but a circus intended to gather money for [redacted] California Ku Klux Klan, and a handful of his American Nazi Party friends. The opinion was then expressed that ROBERT SHELTON and the UKA, when they became aware of this rally which truly blackened the good name of the Klan, would soon denounce [redacted] and his California followers [redacted]

b7C

Recently, using an assumed name and a Post Office box number, an Agent of the Los Angeles Office communicated with the UKA inquiring as to whether the forthcoming California Ku Klux Klan rally was legitimate and an inquiry was made as to whether it was all right to attend. By return letter dated 9/9/66 signed by ROBERT M. SHELTON, he advised as follows:

"This is to acknowledge receipt of your inquiry. We have no knowledge of the rally advertised, however, this does not mean that it is not all right as each State takes care of making their own public speaking and programs. We will forward your letter to a representative in California who can contact you regarding the rally, and then you can decide for yourself if you should or should not attend this rally."

The Bureau is requested to consider the feasibility of preparing the enclosed letter, approximately ten in number, to be sent to local and selected news media giving the impression they were received by California Klanmen living in the Los Angeles area.

The local press, especially the small suburban papers, will possibly print such a letter. Re Los Angeles airtel, 9/6/66, and Buairtel, 9/19/66.

In accordance with Bureau instructions set out in referenced Bureau airtel, Birmingham herewith submits its observations concerning the anonymous communication suggested by Los Angeles in its referenced airtel.

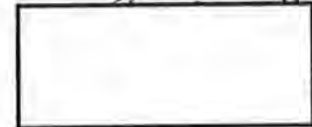

It appears that paragraph 2, page 1, of the proposed letter should be amended or reworded since it mentions a planned rally for 9/17/66.

Other than as mentioned above, Birmingham feels that any such anonymous communication should serve a useful purpose. It will probably cause one or both groups to take some antagonistic action, oral or written, in regard to the allegations.

Birmingham recommends the sending of such a communication.

**COUNTERINTELLIGENCE PROGRAM  
INTERNAL SECURITY  
DISRUPTION OF HATE GROUPS  
(KK KLAN - AMERICAN NAZI PARTY)**

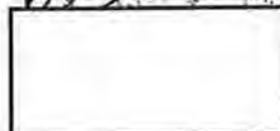

Re Los Angeles airtel to the Bureau, 9/6/66.

A review of the American Nazi Party and United Klans of America files in the Richmond Division reflect that GEORGE LINCOLN ROCKWELL, self-styled National Commander of the ANP, for several years has attempted to speak before Klan groups and obtain any aid and assistance from Klan groups he could get. These attempts would be made by ex-Nazis and other Klan contacts in an effort to gain this. The United Klans of America (UKA) has discouraged any association with ROCKWELL and the American Nazi Party (ANP) and in instances where some rapport was established, has either excommunicated the local UKA unit or issued stern orders against joint venture.

Therefore, it is presumed that a UKA policy has emerged from these actions to the effect that any association with ROCKWELL or ANP units will result in UKA action against the unit associating with the Nazis. This is better illustrated in an incident occurring in the Baltimore Division in June of 1966, whereby a UKA unit solicited ANP participation in a public rally and cross burning held at Camp Hill, Maryland, in May of 1966. The resultant publicity given the rally caused a rupture between the UKA and the Maryland Unit.

On 6/12/66, [redacted] of this unit, publicly announced that his group was leaving the UKA and his unit would henceforth be known as the Maryland Knights of the Ku Klux Klan (MKKKK). This action isolated the MKKKK from the UKA and left only one UKA foothold in the Washington, D. C. area, to-wit: Unit #33, UKA, located in Fairfax County, Virginia. This unit was split with its sympathies and at subsequent meetings dissolved itself in bitter conflict. Some of the members became inactive and the remainder of the members joined the MKKKK.

Despite the proposed cooperation between the MKKKK and the ANP, no joint ventures have taken place since that date.

b2

b7C

b7D

[redacted] has recently advised the Richmond Division that GEORGE LINCOLN ROCKWELL will not have anything to do with [redacted] or the MKKKK due to some of the ex-Nazis presently belonging to the organization.

Of course the above information was not available to the Los Angeles Division at the time of submission of referenced airtel. It is felt, therefore, that the counterintelligence value of enclosed letter in referenced airtel will be of a different nature than that set forth. The UKA now looks upon ROCKWELL as a "buffoon" and there is actually no relations between the organizations. It is felt that the anonymous letter set forth in referenced airtel is of excellent quality and could cause ROBERT SHELTON, UKA Grand Dragon, to initiate action against the UKA, California, and [redacted] personally. It is also felt that the letter, if accepted, should be mailed to some UKA readers who will definitely bring it to the attention of SHELTON.

b7C

It is too felt that a mailing to various ANP units throughout the United States would create animosity between the UKA and the ANP.

The following addresses of the ANP units throughout the United States are listed:

Authority is denied to utilize the anonymous

The Bureau does not desire to saturate the United  
Klans of America, Inc. headquarters, or the headquarters of the  
American Nazi Party with anonymous communications. We feel that  
this technique sustains impact only when used on a selected  
basis.

It seems that the interest displayed by the California  
Ku Klux Klan in the American Nazi Party could be well publicized  
through a cooperative and completely reliable Los Angeles  
newspaper source. If we could substantially equate the American  
Nazi Party with the California Ku Klux Klan in newspaper articles,  
these articles could be distributed to the Klan leaders in the  
U.S. who are opposed to the American Nazi Party. This type of  
action could induce those Klan leaders to denounce the California  
Ku Klux Klan.

Los Angeles advise the Bureau if you have a substantial  
reliable source in the newspaper industry who can effectively  
handle such articles and at the same time give maximum  
protection to the FBI.

Take no action in this matter other than that  
specifically requested without prior Bureau authority.

The pictures you see above are of interest to all who swear allegiance to the Ku Klux Klan. Recently, the American Nazi Party held a rally in Northern California. Now the Klan has no beef because the American Nazi Party holds a rally, but what should concern the Klan is the fact that the man speaking at the microphone is [REDACTED]

[REDACTED] of the California Knights of the Ku Klux Klan. b7C

Recently, loyal members of the National Knights of the Ku Klux Klan who reside in the west have told us disturbing news. On September 7 [REDACTED] and some of his followers held a rally at Saugus, California, using the good name of the Ku Klux Klan. b7C

The National Knights of the Ku Klux Klan stand for Christianity and decency, for this great country of ours, for the rights of all white men . . . but never, never should members of the National Knights be accused of needing the Nazi storm troopers to get our message across to the American people.

As you'll notice by the pictures, these Nazi storm troopers wearing the Swastika of the Nazi Party stand alongside our Klan representative at the rally in Northern

California. It has been reported that when the California Knights met in September at Saugus [ ] was once again flanked by ROCKWELL's anti-Christ goons. Needless to say, fellow klansmen, these goons are the followers of GEORGE LINCOLN ROCKWELL, the psychopathic agnostic that laughs at the name of JESUS CHRIST. Oh yes, ROCKWELL is great when it comes to playing boyish tricks, but have you ever noticed that it is never ROCKWELL who performs these "daring stunts" (everybody laugh). Oh no, it is always some poor lame-brained nut who performs for the "Commander," and who sits in jail while the "Commander" quietly counts his money as he travels about the United States living in luxury.

Do you remember the famous American general, who, when asked to surrender by the Germans, remarked, "Nuts." Well, we members of the National Knights of the Ku Klux Klan, we who believe in CHRIST, and the Rights given us by Him, can only say, "Nuts," when asked if we could ever consider any dealings with "Commander" Rockhead and his equally Anti-Christ Nazi followers.

Imperial Wizard JAMES VENABLE, with great wisdom, and speaking for all members, and to all members, warns all of us to have nothing to do with [ ] and his gangster friends.

Re Los Angeles airtel dated 9/6/66 and Los Angeles airtel dated 9/26/66.

Former [redacted] has advised that the rally of the California Knights of the Ku Klux Klan (CKKKK) held [redacted] was authorized by JAMES VENABLE, Imperial Wizard, National Knights of the Ku Klux Klan, Inc. (NKKKK). At the present time, the Atlanta Office is endeavoring to determine if their informants know of this alliance between the CKKKK and the NKKKK.

b2  
b7D

In view of the information that the CKKKK is a branch of the NKKKK, it is felt that the last paragraph of the anonymous letter, "Be assured that our Imperial Wizard, ROBERT SHELTON, will not tolerate the actions of [redacted] in California. [redacted] does not speak for the United Klans of America," is not appropriate.

b7C

Enclosed for the Bureau is a new anonymous letter which, if sent on a letterhead of the NKKKK and sent to NKKKK members and also members of the American Nazi Party, should cause a breach between the organizations in the Los Angeles area and perhaps cause the downfall of the CKKKK.

It is felt that the enclosed letter and the letter sent 9/26/66 should be approved. The latter letter, as explained previously, will be sent to local selected news media after they have been contacted by means of a pretext, (irate California member of the UKA claiming no connection between the CKKKK and the UKA).

By disseminating the two letters, it is hoped that the American Nazi Party, which has been supporting [redacted] efforts with the CKKKK, will, upon ROCKWELL's orders, discontinue this support. The letter to the local news media b7C from SHELTON and the UKA will cause a further break between ROCKWELL and the UKA. Lastly, and most important to the Los Angeles Office, which is endeavoring to halt the reactivation of the California KKK, it is believed that the local papers, if they print the letters from the UKA and later the NKKKK will cause [redacted] to lose his membership drive.

b7C

Copies of this airtel are being sent to the Atlanta, Birmingham, and Richmond Offices for any comments they might have concerning the two letters.

Authority is denied to utilize the communication proposed in re airtel.

The Bureau appreciates the letter written by Robert Shelton on the official stationery of the United Klans of America, Inc., which was submitted with re airtel. For your information the Bureau is presently considering the reproduction of the official stationery of the United Klans of America, Inc., and the signature stamp utilized by Shelton as evidenced in the Shelton letter you furnished to the Bureau. Your alertness in submitting the Shelton letter has provided the Counterintelligence Program the facility for issuing Klan letters, on a highly selective basis, on official Klan stationery and over the signature of Shelton.

You will be advised when this technique is fully developed.

ReLAairtel 10/7/66 and Bulet 10/7/66 both captioned  
as above.

For the information of other offices, Los Angeles  
is attempting to develop a counterintelligence proposal  
which will disrupt the California Knights of the Ku Klux Klan  
(CKKKK) by linking that organization with the American Nazi  
Party (ANP).

Los Angeles follow Bureau direction set forth in  
Bulet 10/7/66 suggesting that CKKKK relationship with the  
ANP could be well publicized through a cooperative newspaper  
source, and thereafter, circulated among Klan leaders.  
This means that Los Angeles should submit to the Bureau the  
identity of a thoroughly reliable newspaper source whom  
you might approach, subject to Bureau authority, in order  
to prepare articles regarding the CKKKK. Your recommendation  
in this matter must be accompanied by your certification  
that the newspaper source proposed will never reveal the  
FBI interest.

In view of the above and as stated in referenced  
Bulet, authority is denied for you to use the anonymous  
letter technique as a means of exposing the CKKKK. It is  
believed this technique sustains its impact only when used  
on a selective basis.

You are urged to continue your notable interest  
in the counterintelligence program and submit imaginative  
proposals which will thoroughly discredit the CKKKK.

There is a man traveling about this nation who calls himself [redacted] who goes about speaking to any who are foolish enough to listen. And as he travels this road and his words reach the various Klansmen in that area, these same God fearing Klansmen remember the words, "God give us men!" The Invisible Empire demands strong men who have HONOR; men who will not LIE.....

b7C

But [redacted] is somewhat like Elmer Gantry as he comes into our towns make his speeches, takes his money, and departs in [redacted] to live in luxury until his next debut on some unsuspecting citizenry. Lynch lies, as he pretends loyalty to the United Klan, but as he arrives and departs it is always as a loyal member of the National States Right Party. And fellow klansmen let [redacted] try to explain how he recently contacted a number of members of the KKK in North Carolina and then went on to Sevierville, Tennessee, where he broke any allegiance he ever had to the United Klan when he appeared before the Christian Knights of the Ku Klux Klan, while supposedly still swearing allegiance to the United Klan and our beloved Imperial Wizard Robert M. Shelton.

And then after this "stab in the back" the "Travelin Man" was on his way, this time to Baltimore and Chicago where he mingled with Klan members, made his little "bundle of loot," kissed and giggled with the ladies and then disappeared with his NSRP friends.

b7C

Perhaps the final blow came recently when [redacted] was scheduled to speak to a group of klansmen in Saugus, California, to appear on the same platform with that infamous George Lincoln Rockwell, self-styled "Commander" of the Anti-Christ "American" Nazi Party. God fearing Klansmen in California were spared this blot on Klan history when it was announced at this KKK rally [redacted] It was reliably reported that the psychopathic "Commander" was unable to attend because he was busy thinking of new stunts that he could have performed on his behalf, thus acquiring some new publicity for a fastly dying cause.

Enclosed herewith for the Bureau are copies of the following:

(1) Cartoon which appeared in the "Los Angeles Times" by Interlandi, depicting two Ku Klux Klan (KKK) members, one dressed in a mini-robe. The caption beneath the cartoon reads, "Like it? It's the new mini-robe!"

(2) Cartoon captioned "The 100% American."

For the information of the Bureau, the latter cartoon appeared in "New Times".

"New Times" has been cited as an "internationally circulated Communist publication", published in Moscow. "Its purpose is obviously to guide the policy of Communist Parties throughout the world." Its predecessors were "War and the Working Classes", "World News and Views", and "Inprecorr".

(Committee on Un-American Activities, House Report 209 on the Communist Party of the United States as an Agent of a Foreign Party, April 1, 1947, pages 23, 25, and 43; also cited in the House Report 1694 on Organized Communism in the United States, May 28, 1954, originally released August 19, 1953, page 98).

These cartoons are being forwarded to the Bureau, inasmuch as they both obviously ridicule the KKK and seek to discredit the aims of the KKK.

It is realized that because of the origin of "The 100% American", this cartoon cannot readily be utilized in a counterintelligence program; however, the idea behind the cartoon might possibly be used.

During an interview on 9/28/65 by Bureau Agents for a similar comment [redacted] denied making any such statement but was hostile to the Agents.

b7C It is pointed out that while [redacted] may not currently have a hate group organizational affiliation, he is a very prominent hate group personality and has been very successful in stirring up violence in the past. For this reason, counter-intelligence measures taken against him should be conducted as though he were one of the leading officials of a group such as the NSRP or the Klan.

b7C [redacted] automobile bears a California registration and he was last known to reside there. He follows a peripatetic way of life and may appear at any place throughout the country.

The Bureau desires that offices in whose territory he may appear be alert to advise the Bureau immediately, with a recommendation as to a reliable law enforcement agency which can be advised he is driving without a valid license and which can be relied upon to take appropriate action without revealing the Bureau's interest.

b7C The Los Angeles Office is further instructed to be alert to immediately advise the Bureau and interested offices in the event [redacted] by the State of California.

We have a continuing program directed against the  
American Nazi Party (ANP) and the various Klan organizations  
throughout the United States. As certain Klan organizations  
and the ANP have evidenced some common interests, we created  
the impression that the Klan and the ANP might form the  
Klanzi Party. This was done for the purpose of ridicule  
and to provoke certain Klan leaders to an attack on the  
ANP.

Recently the California Knights of the Ku Klux Klan

have indicated a growing interest in the ANP.

ReATrep reveals that [redacted]

b7C

It appears that the activities of [redacted] might be exposed in a manner which would fully discredit the ANP, the IOUSK, and suggest that the other Klan organizations seeking to support the ANP are doing so because of their common interests in perversion.

b7C

Since the general public does not distinguish one Klan group from another and normally attributes white supremacist activity to the Klan as represented by Robert Shelton, Imperial Wizard, United Klans of America, Inc. (UKA), it is believed that the focusing of public attention on background of [redacted] might also be discrediting to the UKA.

Recipient offices are requested to give attention to this matter, and submit counterintelligence recommendations designed to capitalize on the weaknesses apparent in the ANP and the IOUSK.

b7C

Richmond and Atlanta respectively, advise the Bureau if the information relative to [redacted] may be utilized in a public exposure of same without jeopardizing sources.

Take no action in this matter other than that specifically requested without prior Bureau authority.

is felt that the Bureau has enough public source information available to make a clear case of mental instability and criminal activity on the part of such hate-group leaders.

It is felt that [redacted] would be an excellent subject of one such article in regard to his [redacted]

It is believed that the arrests of several members of the Minutemen organization recently in the State of New York would be another good item to include in such a special edition. This article would be in regard to the arrest of these Minutemen members for the possession of numerous weapons and ammunition which they reportedly intended to use in regard to the racial situation, according to the newspapers.

Another incident that might be included would be one concerning [redacted] who is a member of the UKA in Virginia. [redacted]

[redacted] It was also indicated in this communication that the incident in regard to [redacted] might carry national appeal in view of the fact [redacted] Possibly there may be several articles available in regard to [redacted] which might tie in his connection with the UKA and [redacted]

It is also noted that Los Angeles, by airtel dated 9/19/66, under the UKA caption, furnished the Bureau and several offices with a letterhead memorandum which contained information reflecting that [redacted] of the California Knights of the Ku Klux Klan, participated in a rally at [redacted] This LHM also pointed out [redacted] shared the podium with [redacted] who was described [redacted] National States Rights Party (NSRP). It is believed that the Bureau would probably have public source material of a very derogatory nature concerning [redacted] the rally mentioned, and possibly the fact that the Klansmen and the NSRP leader participated at such a rally, during which rally at least one arrest was made.

b7C

It is further believed that the Bureau has in its possession numerous articles in regard to ROBERT MARVIN SHELTON, Imperial Wizard of the UKA, having taken the Fifth Amendment on several occasions when testifying before the House Committee on Un-American Activities in 1966. The article could be worded or arranged to show that the action of SHELTON, who has subsequently been convicted of contempt in regard to this situation dealing with his failure to produce certain UKA records, was very similar in nature to the action taken by Communists when called upon to testify in regard to their activity in the Communist Party, USA. It is believed that the Bureau might possibly have several items of interest in regard to Imperial Wizard SHELTON and his testimony in Washington, D. C., his conduct in numerous instances recently at UKA rallies and other public events in various parts of the United States.

It is believed that the IOUSK incident and the ANP incident mentioned in referenced airtel, if known to the general public, would probably be items of interest to be included in such a special edition.

It is also believed that the Bureau would have newspaper items concerning [redacted] a member of the UKA in Alabama [redacted] a member of the UKA in Alabama. [redacted]

[redacted] The newspaper articles in regard to [redacted] might be used would be the ones in regard to [redacted] [redacted] The article in regard to [redacted] [redacted]

The above items are merely mentioned for consideration and it is felt that the Bureau would probably be able to select numerous other items known to the Bureau of a strong disruptive, discrediting, and/or counterintelligence nature.

The information contained in above-referenced

 is common knowledge among the members of the American Nazi  
 Party (ANP) throughout the country. Therefore, public dis-

In conjunction with the Bureau's suggestions, the  
 Richmond Division recommends that consideration be given to  
 the expose of a mutual conspiracy between the major right-  
 wing groups. This expose could take the form of the showing  
 of a connection between the United Klans of America, Inc.

 Party (NSRP), the White Party of America (WPA) and any other

of course, would be the UKA which is the largest. The other groups could be used to ~~perpetuate~~ <sup>perpetuate</sup> the UKA as many of them are repugnant to the public. *ridicule*

The Richmond Division concurs in the Bureau's suggestion that the use of the incidents of perversion as set forth in referenced Bureau airtel would do irreparable injury to the UKA and ANP.

The files of the Richmond Division are replete with incidents and claims of <sup>the</sup> homosexual members of the ANP. This apparent weakness could be the logical focal point for the ridiculing of the larger groups, namely the UKA. The use of the public source information pertaining to the California Knights of the Ku Klux Klan (CKKKK) and the Maryland Knights of the Ku Klux Klan (MKKKK) could be the first link in the intertwining of the groups. The several speeches by GEORGE LINCOLN ROCKWELL, Self-styled National Commander of the ANP, before Klan groups in the south in the last two years could be documented and thus showing a further intermingling. Added to this could be information pertaining to the use by the UKA of records manufactured by ROCKWELL's group, namely "Ship Those Niggers Back" and "We is Non-Violent Niggers". These records have been obtained and used by some UKA members. Another one of ROCKWELL's publications used by Klan members is his "Boat Ticket to Africa", a small flyer containing abusive remarks about the Negroes.

The main theme of the conspiracy would be disclosure of an intermingling of personnel in the various groups, thus [REDACTED] GEORGE LINCOLN ROCKWELL, [REDACTED]

Several members of the ANP have gone to the NSRP in the past several years. In fact, [REDACTED]

b7C

The files of the various divisions will show more of an intermingling of personnel in the various groups than shown above.

Thus, if the expose could show the various relationships between these groups, including the perversion; use of each others' publications; intermingling of personnel and other facets of mutual actions, including their hatred of the Jewish and Negro minorities. No doubt would be left in the public's mind that the groups are one and the same and the perversion of one is the perversion of all. The discredit of the UKA by this means would surely lead to infighting between them, with the resultant loss of membership and so-called aura of respectability.

The method of the expose would be subject to considerable discussion. The Richmond Division is of the opinion that the use of the "National Committee for Domestic Tranquility" for such an article might be unseemly. This committee heretofore has appeared to be on a high plane and this type of article might better be utilized in a different manner. It is felt that the suggestion, if considered, would have to take an almost final form before consideration in the method of distribution, therefore, the Richmond Division is not commenting on the method of distribution.

On 11/2/66, a letter was directed to Mr. ROBERT SHELTON, United Klans of America, Tuscaloosa, Alabama from Los Angeles, California, requesting information concerning the rally of the Ku Klux Klan which was being advertised in the Los Angeles area, and desiring to know whether this rally was a rally of the UKA.

On 11/14/66, ROBERT M. SHELTON directed a letter to Los Angeles, California, advising that he had no knowledge of the rally, but that a representative of the UKA would make contact and advise whether this particular rally was a rally of the UKA.

A letter was received from A. KOSTELL, Secretary, Contact Research, P.O. Box 2487, Culver City, California (90232) dated 11/18/66, advising that the California Klan is in sympathy with JAMES VENABLE and the National Knights of the Ku Klux Klan, with headquarters in Atlanta, Georgia. Dear Sir,

b7C

I wrote to you back in September because I received an invitation to attend a rally of an organization called the Ku Klux Klan, A California Committee, [redacted]

Attached you will see another notice that I received from this same individual.

For many years I have been a true believer in you and your movement, but have been unable to do much about it because of my advanced age, and the fact that I continue to be a manufacturers representative here on the west coast, and the knowledge of my Ku Klux Klan sympathies could cause me to lose my job.

Here in California, as I guess in other parts of the U.S., we have a great many "nuts" who start a movement today, that dies tomorrow. I for one don't want to attend this rally if it is not the TRUE meeting of Klansmen.

I realize that as you fight for the freedom of the Klan and this country you have little time for an old man who thinks you are a wonderful person, but will you please write and tell me whether I should attend this rally or continue to wait and hear from one of your people here.

Keep up the good work,

Sincerely,

b2
